

Quality Policy

PSM is a member of the Ansaldo Energia Group and is following the Group Quality Policy. PSM is fully dedicated to continuously improving and innovating its processes to increase customer satisfaction and competitiveness on the market.

Ansaldo Energia and PSM

- Commit to a flexible and proactive approach to respond to customer needs to ensure customer satisfaction with its product and service offerings portfolio.
- Involve all Group personnel and its stakeholders to achieve and maintain a high level of quality and innovation of its products and services.
- Commit to continual improvement on the effectiveness of the Group's Quality Management System.
- Ensure compliance with all applicable laws, regulations, and other requirements.

We address these commitments with the highest integrity by following a governance process that includes documented quality objectives, monitoring of performance and periodic management reviews.
